

Letter of Appointment

To Mr. Okuda Masaaki

Pacific Rim Institute For Development & Education (PRIDE) is a public supported non-profit 501 (C) (3) charitable organization registered in America, and is in Special Consultative Status (NGO) in Economic and Social Council of the United Nations. The organization devotes itself to promoting cultural and economical communication between America and Pacific Rim and assisting China with personnel training and introduction of human resources over a long period of time. Since 1990, (PRIDE) combining Chinese Academy of Social Sciences and many other universities, Chinese governmental inspection and training delegation and other organizations have jointly organized many international communication groups of scholar representatives of American traditional culture and Chinese culture, involving fiancé, agriculture, transportation, education and other fields. Those communication groups have successfully visited many Chinese and American cities and farms and done the early effort and promotion work for friendly communication and trust cooperation between China and America after the recovery of diplomacy between the two countries.

Mr. Okuda Masaaki (ID No.: TK5778525), has been appointed Japan branch Chairman of Pacific Rim Institute For Development & Education (PRIDE) in the Pacific Rim. As a coordination officer, the person will be responsible for communication and development involving fields of culture, education, economy, technology, commerce, etc of authorities in countries in the Asia Pacific Rim.

The appointed person must implement indications and directions of Pacific Rim Institute For Development & Education (PRIDE).

All the information gained during appointment process will be confidential. No information can be released to third parties during appointment process or term of office without approval of PRIDE (whatever the reason would be).

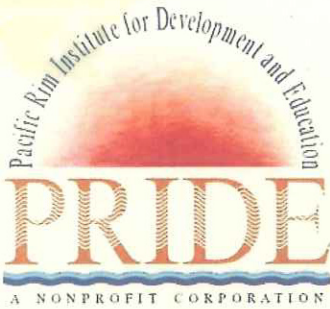

The main duties for this position will be continuously promoting information and culture communication of all fields in the Pacific Rim. Thus according to concepts put forward by the competent mechanisms of the United Nations, international status and function of PRIDE can be strengthened, and it will contribute to the cooperation of culture development project and education project in the Pacific Rim.

We are looking forward to your joining in.
